New York August 25th / 53.

My dear Sir

The next day after
I wrote you from home I re-
ceived intelligence of the arrival
of the Antares from Antwerp
with your furniture, and the
next day I came here to make
the necessary arrangements, and
am happy to say that I am
now nearly ready to return
to Maryland & again fight
with my sketch pen.

Your things will be sent
you as soon as the time & before
long I hope they will be
safely placed to adorn your

drawing room. You will
find that the the mirrors
are all packed in one box
& the frame separate, two
in one box & the third by
itself so you must be
very cautious in opening
& handling box No 11.
For you insure the silvering
without great care -

I have much to
say adieu & beg you
to beg that we have
some more money at
your convenience

Very affectionately

E. Baker Esq Thos. S. Clemson
